RATE QUOTE ACCEPTANCE

Please sign below and return via fax for shipment routing.

This is to acknowledge the rate quote provided by The Banfield Group is based solely on the information provided to The Banfield Group. Any change in commodity, classification, shipment weight, pickup or delivery location, dimensions, or other change will render this quote invalid, and additional charges may apply. In addition, any accessorial charges, including but not limited to: delivery notification, inside delivery, lift-gate delivery, or residential delivery are not included in the quote unless expressly requested and noted. These services may be requested by the Shipper without notifying The Banfield Group, and the charges for these services will be added to the invoice. These charges are the sole responsibility of the payer of the TBG invoice for freight.
